

**RESOLUTION NO. 2004-026**

**A RESOLUTION AUTHORIZING THE LOCAL CHIEF EXECUTIVE TO INITIALIZE THE FEASIBILITY STUDY AND THE DRAFTING OF TECHNICAL DESIGNS FOR THE DEVELOPMENT OF A NEW POBLACION MARKET IN THE CITY OF SAN FERNANDO, PAMP ANGA.**

**WHEREAS**, the construction of the City of San Fernando's Old Public Market that is located at the Poblacion area was first conceptualized in 1946 or shortly after the liberation period;

**WHEREAS**, the City's Old Public Market has survived more than five decades of tremendous damages from natural calamities and long use;

**WHEREAS**, the present condition of the Old Public Market demands an immediate intervention from the local government for its unsanitary condition and hazards brought about by dilapidation of the roofings, canals and drainages and its being below the existing standards;

**WHEREAS**, it would be more logical and reasonable to construct a new public market at the present site of the existing Old Public Market at the Poblacion area that is' within the prescribed standards of modem public markets in the country;

**WHEREAS**, upon motion of the Honorable Jaime T. Lazatin duly seconded by all the Sangguniang Panlungsod members present,

**NOW THEREFORE**, the Sangguniang Panlungsod of the City of San Fernando, Pampanga in session assembled,

**RESOLVED** as it is hereby resolved to authorize the Local Chief Executive to initialize the feasibility study and the drafting of technical designs for the development of a New Poblacion Market in the City of San Fernando, Pampanga

**RESOLVED UNANIMOUSLY** this 8<sup>th</sup> day of September 2004.
